For availing the tax benefits, click on 'Investment Declaration' to enter the details.

The Employee can choose which Tax Regime they want to opt for by clicking on 'My Tax Regime' and give the declaration on that basis. Before opting, employee can also check which Tax Regime would be beneficial for them through the 'Tax Calculator'.

Tax Regime & Investment Declaration

Instructions :-

1. As per circular from CBDT employee can choose his option with the employer only once in any particular financial year and will not be able to get it changed thereafter. So we advise every employee to choose the option very carefully after checking your tax liability properly.
2. If you have not opted for any tax regime then tax will be deducted as per old tax Regime.
